

Tuesdays Together:

History of Anglican Church Music 101

Two sessions were not enough. We all wanted more! And Scott Hanoian gave us a third wonderful session on music in the Episcopal Church as part of the Tuesdays Together programs. By giving us a sense of our musical heritage, Scott opened the gate to another path to follow that will enhance our faith journey.

Scott shared several musical selections and the list below reflects the sources he used to create the three sessions.

All of these CDs are available through the Virtual Cloister Bookshop. Each purchase you make from this site gives Christ Church a commission. Follow this link to Scott's Picks: <http://www.christchurchgp.org/cloisterbooks05.html>
